
airsoft automatic gun The Incredible Airsoft Automatic Electric Gun Part I

Posted by knowledgefi...@hotmail.com - 2008/09/13 20:05

In the ever-growing sport of Airsoft, no one product has impacted its worldwide popularity more than the incredible automatic electric gun. This particular Airsoft gun, commonly referred to as the AEG, has single handedly lifted the sport to meteoric heights. Airsoft had its humble beginnings in Asia due to the strict gun laws that severely prohibited the private ownership of firearms in that region of the world. It was in the nation of Japan ...
