I'm just wondering why you had to use choke chains to train your dogs especially as they are so small. Oh geez - let's see - how many JRTs act like alligators at the end of a leash? I personally prefer prong collars.

Ya know what, AssBoy...stick to doing what you do best: replying to yourself. No one reads your bullshit anyways. Well, except me, because your ignorance is so damn funny. Go back and look at who responds to you. No one...except me...because I find you such an easy target to make fun of. EVERYONE else ignores you. Why is that? Because they are EMBARRASSED? HAHA. No. But that's what you want to think. Go ahead to continue to insert XXX or HOWE or CON everywhere you can, it just makes you look more like a perverted moron. PLEASE keep doing it! OK? OH - also - PLEASE keep posting my book comments. THANK YOU! Where is the Sheriff's office knocking on my door? What is the hold up?!? We are ready for the legal battle (since you are too feeble to do a real man-to-man battle). Let's get it going !!! Please, though, do everyone a BIG favor? Remove your hideous pic from your website. Will you at LEAST do that? THAT would help so many people...

Come on AssBoy. I'm SURE you must be a tough guy since you are an internet bully. So what is the worry of meeting me? You laid out the rules, I agreed. Is Saturday or Sunday better for you? Saturday, September 6th is really good for me. 3PM. There is a Disney ticket place right off the turnpike at that exit for Yeehaw Junction. I'll wait in the parking lot for you there on Saturday, Sep 6th at 3PM. See you then! Can't wait to meet you!
